Dear Parent/Carer

The welfare and security of your child is paramount. As part of our safeguarding procedures, we are reviewing ways in which we can ensure your child leaves school at the end of the day as safely as possible. Please could you fill in the slip below if you wish your child to travel to or from school unaccompanied or if you wish an older sibling, between the age of 16 and 18 years of age to collect them. If we don't have your permission for your child to go home on his/her own, then we will keep your child in school until a responsible known adult arrives to collect him/her. They will attend our Before and Aftercare during this time and you will be charged for this service.

If you collect your child from school, could you please come into the school grounds and wait near your child's classroom door. If you are going to be late, then please ring school and we will keep your child until you arrive. It would also help us if you could also name other adults who might, at times, collect your child.

Thank you for your co-operation.
